

## Information about data processing

In accordance with the data protection law of Hungary and the General Data Protection Regulation of the European Union (GDPR), as well as the internal [Data Protection Policy of CEU](#), the project GDPR regulation ([Privacy Notice Visegrad Scholarship at OSA](#)) and the [Notification on Personal Data Processing](#) of the International Visegrad Fund (IVF) please note the following:

- The successful Fellows' names, research title and nationality will be made public.
- The successful application materials (CV, application letter, research proposal, references, proof of English language skills) will be archived by Blinken OSA for further analysis but will not be made public or available for research.
- Applications, which did not receive support will be destroyed by Blinken OSA after statistical processing.
- Introduction of Fellows (with photo, affiliation, short description of project and short bio) on the homepage and social media of Blinken OSA is optional.
- Live, online or hybrid Fellow presentations will be advertised by Blinken OSA on its website and Facebook, Twitter and Instagram pages. The link to the presentation will only be included in public materials with the prior consent of the Fellow.
- Fellow presentations are recorded for internal use and archival purposes by Blinken OSA and IVF. Any other use requires the Fellow's written permission.
- Participation of the audience entails being recorded during the presentation and the recording may be published. Online participants are reminded of the possibility to disable the camera and to mute the microphone.
- The Fellow may request a copy of the recording of the presentation.
- The final report, due two weeks after the end of the research, will be publicly available on the Blinken OSA website, with the name of the Fellow underneath.
